Dear SADA parents,

*We are so excited for our annual SADA summer recital. We are excited to announce that this year we will have 3 shows! All of our Twinkle Star Dancers (Ages 2-3, 3-4 and 4-5) will perform in our 1<sup>st</sup> or 2<sup>nd</sup> show "SHOWTIME!" Showtime! gives dancers enrolled in Twinkle Babies and Twinkle Stars classes the chance to show their friends and families what they have learned with a performance at the end of the dance season. For many students, this may be their first time ever being on stage! The Twinkle Program is designed to promote self-confidence in young children and getting on stage at the end of the year is a critical part of the program.*

Participation in the summer dance recital is not mandatory; it is strongly encouraged and is considered an important part of the overall dance experience. Dancing is a performing art and the performance is the highlight of a dancer's experience, something for them to look forward to and to strive for. Being part of a performance helps build self-esteem and self-confidence and gives students a chance to showcase the results of all of their hard work, dedication, and progress.

All of our students, regardless of level, are invited to perform in our annual recital.

The rehearsal process is also a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

Please read the information very carefully and be sure to add all the dates and times to your calendar. Well-informed parents can help the day run smoothly and be less stressful for everyone.

We hope to eliminate the stress of getting your dancer (s) to where they need to be while worrying whether you will have seats with your family.

Each family will receive (2) \$ 10.00 tickets free of charge, to the show of your choice. Once your recital fee is paid, and tickets are on sale you can reserve/upgrade your seats, and purchase any additional seats at that time. Dear Community Partner,

We are excited to share with you the opportunity to be highlighted in our 9th Annual Recital Program through our student Ad Sales program. Your advertisement will reach many potential customers while supporting one of Brownsburg's fastest growing and community involved dance studio, Sister Act Dance Academy.

Sister Act Dance Academy has been in business for 9 years, moving its studio from Camby to Brownsburg in 2013. Since re-locating to Brownsburg, Sister Act Dance Academy has grown to new heights with recreational as well as competitive dancers. At the studio, students are offered a variety of dance education options ranging from recreational weekly classes for all ages, to intensive dancer and pre-professional training for aspiring ballerinas and Broadway stars. Summer camps are also offered for all to participate and enjoy. Sister Act has been honored to receive Brownsburg's "Best of Brownsburg" award in 2013, 2014, 2015, 2016, 2017 and 2018. We hold this honor with gratitude and respect. Each year students start their dancing education in August with the dance year culminating with an annual dance recital held in June. On the day of our recital, our program reaches a direct audience of maximum auditorium capacity with 2 shows. Our students not only come from the community of Brownsburg, but many of the neighboring communities as well. The recital offers family and friends from near and far to enjoy the display of artistry their dancer brings to the stage. Your advertisement will reach the hands and support of those in attendance. This is a wonderful opportunity for Sister Act Dance Academy to partner and market your business. Your partnership and support with the studio and our students is greatly appreciated.

Sister Act Dance Academy is proud to partner with local business throughout the region and we appreciate your consideration.

Sincerely,

Student-
